

CORPORATE CAPABILITY STATEMENT

PIMENTEL CONSTRUCTION GROUP

Self-performing civil construction | South Florida

WHO WE ARE

Pimentel Construction Group, LLC (PCG) is a Miami-based Florida Certified General Contractor serving public agencies, prime contractors, developers and property owners across Miami-Dade, Broward and Palm Beach. Our own crews and equipment self-perform the interconnected scopes of roadway work: drainage, utilities, base, concrete, asphalt and striping, so one company is accountable from excavation to final restoration.

ESTABLISHED	FL CONTRACTOR LICENSE	FDOT VENDOR	OWNER EXPERIENCE
2019	CGC1528272	VF841924774001	20+ years

CORE SELF-PERFORMED SERVICES

- Asphalt paving, milling and resurfacing
- Concrete sidewalk, curb, gutter and ADA ramps
- Earthwork, grading and limerock roadway base
- Brick and concrete paver installation
- Storm drainage, catch basins, exfiltration trench
- Sanitary sewer mains, laterals and water services
- Pavement markings, striping and signage
- Parking lots, sealcoating and pavement repair

CERTIFICATIONS & QUALIFICATIONS

- Florida Certified General Contractor, CGC1528272
- FDOT Disadvantaged Business Enterprise (DBE)
- Miami-Dade County Community Small Business Enterprise (CSBE)
- FDOT Vendor VF841924774001
- Owner: FDOT Asphalt Paving Level 2 Technician and Quality Control Manager
- General liability and workers' compensation; certificate of insurance on request

CONTRACT EXPERIENCE

Prime contracts with municipalities including the City of Doral (sidewalk and drainage) and the Village of Palmetto Bay; subcontracts to primes including H&J Asphalt, MCM, AGC Electric and National Traffic Solutions. Experienced with JOC (Gordian) and FDOT-LAP contracts, Davis-Bacon certified payroll and AIA G702/G703 pay applications.

WHY PCG

One accountable partner for the cut and the patch: utility, base, drainage, concrete and asphalt by our own crews, with the owner on every estimate and every site.

SELECTED EXPERIENCE

PIMENTEL CONSTRUCTION GROUP
